

You had the courage to bet on yourself, ADP has your back every step of the way.

From simple payroll to HR support, recruiting, and employee handbooks, ADP has you covered. As your needs change, effortlessly add other ADP services, like insurance¹, retirement, and timekeeping. In a snap, you can also connect RUN with your favorite accounting, POS, HR, and business software.

Run payroll in just a few clicks and submit taxes automatically.

24/7 support from certified payroll experts.

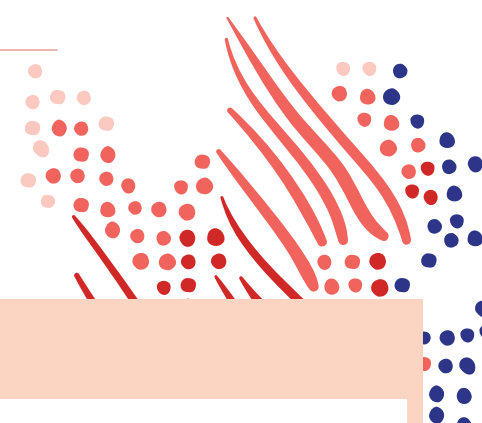

Process payroll at your desk or on the move, during business hours or in the middle of the night.

Market-leading mobile app for employees.

Nearly 700,000 small businesses like yours count on ADP. We understand how much work it takes to run your business. With deep expertise and the most complete solution, we can help see you through challenging times.

Solutions from hire to retire.

With ADP, you can always find just the right fit.

As your needs change, effortlessly add other ADP services, like recruiting, insurance¹, retirement, and timekeeping and more.

Paycards

Paycards can help you move to a more secure, paperless pay. Instead of a traditional bank account, pay is deposited into the paycard account. Employees can then store or spend their money using their paycard.

3 out of 4 customers spend 15 minutes or less running a payroll through ADP.¹

95% of customers

say switching to ADP is easy and that has made their jobs easier¹

HR Products

— 2020 —

ADP loves its small business clients, and apparently, the feeling is mutual. According to data and reviews from G2™, small business owners love using RUN Powered by ADP (RUN). In fact **95% of users rated it 4 or 5 stars, outperforming the category averages in all key metrics.**

ADP makes running payroll easy!

Running payroll in the system is so simple. Just a few short steps to have your payroll done. ADP helps cut down on my workload by submitting our QTR taxes, W2, and 1099. ADP makes the year end process so easy! The reporting system is easy to navigate through. They have reports that you can customize to your needs.

Christina A, G2 Review
